Who Can Be A Designated Beneficiary?

You can select any beneficiary(ies) other than your employer for your Basic coverage, and you may change your beneficiary(ies) at any time. You can also designate more than one beneficiary.

Portability

So you can keep your coverage even if you leave your current employer

Should you leave XL America, Inc. for any reason, and your Basic Life insurance under this plan terminates, you will have an opportunity to continue group term coverage ("portability") under a different policy, subject to plan design and state availability. Rates will be based on the experience of the ported group and MetLife will bill you directly. Rates may be higher than your current rates. To take advantage of this feature, you must have coverage of at least \$10,000 up to a maximum of \$2,000,000.

Generally, there is no minimum time for you to be covered by the plan before you can take advantage of the portability feature. Please see your employer or certificate for specific details.

Please note that if you experience an event that makes you eligible for portable coverage, please call a MetLife representative at 1-888-252-3607 or contact your employer for more information.

Accelerate Benefits Option¹⁰

For access to funds during a difficult time

If you become terminally ill and are diagnosed with 12 months or less to live, you have the option to receive up to 90% of your life insurance proceeds. This can go a long way towards helping your family meet medical and other expenses at a difficult time. Amounts not accelerated will continue under your employer's plan for as long as you remain eligible per the certificate requirements and the group policy remains in effect.

The accelerated life insurance benefits offered under your certificate are intended to qualify for favorable tax treatment under Section 101(g) of the Internal Revenue Code (26 U.S.C. Sec 101(g)).¹⁰

Accelerated Benefits Option is not the same as long term care insurance (LTC). LTC provides nursing home care, home-health care, personal or adult day care for individuals above age 65 or with chronic or disabling conditions that require constant supervision.

Conversion

For protection after your coverage terminates

You can generally convert your group term life insurance benefits to an individual whole life insurance policy if your coverage terminates in whole or in part due to your retirement, termination of employment, or change in employee class. Conversion is available on all group life insurance coverages. Please note that conversion is **not** available on AD&D coverage. If you experience an event that makes you eligible to convert your coverage, please call 1-877-275-6387 to begin the conversion process. Please contact your employer for more information.

Waiver of Premiums for Total Disability (Continued Protection)

Offering continued coverage when you need it most

If you become Totally Disabled, you may qualify to continue certain insurance. You may also be eligible for waiver of your basic life insurance premium until you reach age 65, die, or recover from your disability, whichever is sooner.

Total Disability or Totally Disabled means you are unable to do your job and any other job for which you are fit by education, training or experience due to injury or sickness. The Total Disability must begin before age 65, and your waiver will begin after you have satisfied a 9-month waiting period of continuous disability. The waiver of premium will end when you turn age 65, die, or recover.

If you return to work after completing part or all of the 9-month waiting period and later cease active work due to the same or a related Total Disability while your coverage is being continued, you will be given credit for the prior partial or total completion of the waiting period and it will be considered a continuation of the original Total Disability. This means that if you completed the waiting period of continuous disability in the original period of disability, you will not need to complete another one.
