The accelerated life insurance benefits offered under your certificate are intended to qualify for favorable tax treatment under Section 101(g) of the Internal Revenue Code (26 U.S.C. Sec 101(g)).¹⁰

Accelerated Benefits Option is not the same as long term care insurance (LTC). LTC provides nursing home care, home-health care, personal or adult day care for individuals above age 65 or with chronic or disabling conditions that require constant supervision.

Conversion

For protection after your coverage terminates

Waiver of Premiums for Total Disability (Continued Protection)

Offering continued coverage when you need it most

If you become Totally Disabled, you may qualify to continue certain insurance. You may also be eligible for waiver of your basic term life and insurance premium until you reach age 65, die, or recover from your disability, whichever is sooner.

Life Insurance

Life insurance is a cost-effective way to protect your family and your finances. It helps ensure your short- and long-term financial obligations could be met if something unforeseen happens to you.

Total Disability or Totally Disabled means you are unable to do your job and any other job for which you are fit by education, training or experience due to injury or sickness. The Total Disability must begin before age 60, and your waiver will begin after you have satisfied a 9-month waiting period of continuous disability. The waiver of premium will end when you turn age 65 (or if you are Totally Disabled on/after age 65, the date 1 year after your Total Disability began but not beyond your 70th birthday), die, or recover.

If you return to work after completing part or all of the 9-month waiting period and later cease active work due to the same or a related Total Disability while your coverage is being continued, you will be given credit for the prior partial or total completion of the waiting period and it will be considered a continuation of the original Total Disability. This means that if you completed the waiting period of continuous disability in the original period of disability, you will not need to complete another one.

- You must notify MetLife of the later period of cessation of active work within 12 months of when that period began.
- The amount of insurance being continued will be the same as during the original period of disability, subject to any reductions in coverage amount due to age.
