

Plan Summary

This chart explains what your plan covers and what your share of prescription costs will be. You can also find it on our website.

HSA 2 / HDHP 2 Plan

Under your plan, prescriptions for long-term medications (used to treat conditions like diabetes, asthma, or high blood pressure) must be filled in 90-day supplies at select participating pharmacies in your plan's network. **If you fill these prescriptions in 30-day supplies or at any other pharmacy, your medications won't be covered and you'll have to pay the entire cost.** Prescriptions for short-term medications (like antibiotics) can be filled at any retail pharmacy in your plan's network.

	Short-Term Medications	Long-Term Medications	Out-of Network
	Fill at any pharmacy in your plan's network; Cost for up to a 30-day supply	Fill at select participating pharmacies in your plan's network; Cost for up to a 90-day supply	
Generic Medications Best option to help you save money	20% for one 30-day supply	20% for one 90-day supply	40% for one 30-day supply
Preferred Brand-Name Medications Best option when generic isn't available	30% for one 30-day supply	30% for one 90-day supply	50% for one 30-day supply
Non-Preferred Brand-Name Medications Highest cost option	40% for one 30-day supply	40% for one 90-day supply	60% for one 30-day supply
Refill Limit	One initial fill plus one refill for long-term medications at any retail pharmacy, then you must use Maintenance Choice		
Specialty Medications	Follows plan coinsurance - Administered through ArchimedesRx		
Annual Deductible	\$2,500 per individual / \$5,000 per family		
Maximum Out-of-Pocket	\$5,000 per individual / \$10,000 per family		

Please Note: When a generic is available, but the pharmacy dispenses the brand-name medication for any reason, you will pay the difference between the brand-name medication and the generic plus the brand copayment.

Oklahoma: Some Oklahoma residents may not be eligible to participate in the Maintenance Choice and/or Exclusive Specialty program. If you have questions about your eligibility, please contact Customer Care at the number on your member ID card.

Specialty pharmacy delivery options are available where allowed by law. In-store pickup is currently not available in Oklahoma. Puerto Rico requires first-fill prescriptions to be transmitted directly to the dispensing specialty pharmacy. Products are dispensed by the applicable specialty pharmacy and certain services are only accessed by calling the pharmacy directly. Certain specialty medications may not qualify.

Products that qualify as preventive services may be available at a lower cost share or no cost share, depending upon your plan, and may change from time to time. Please check your plan benefit materials should you have any questions about your coverage. Certain drug options identified above may be subject to additional prior authorizations or other plan design restrictions. Please consult your plan for further information.
